

## RAILS 2016 speaker instructions

Each room is equipped with a computer and a projector, as well as access to the Internet.

On the day of your presentation, please arrive 15 minutes before the start of your session to load and test your slides.

Full papers should be 20 minutes long, followed by roughly 10 minutes for questions. Please ensure that you keep to time, so that presenters who follow you will have their full allocated time. You will be given 5, 2, and 1 minute warnings, and if you go over time, the session moderator will ask you to stop your presentation.
